

Learning @ Home Timetable

Week 3 - Term 4 - 2021

Welcome to Week 3 Term 4

As we begin our last week of home learning, we continue to use Seesaw as our home learning platform for activities which will be set each day along with a Daily Plan to help support and guide students learning.

Our focus this week is to plan and prepare students for their return to school. If you or your children have any questions then the Support Unit Team are here to help!

Remember to check Seesaw every day as well as SkoolBag and Facebook for updates about what is happening at Punchbowl Public School.

Thank you again for all your support of both teachers and students during this time of home learning. Should you need any assistance with any of the learning platforms or should you simply have a question please contact your child's teacher either through Seesaw or the school and we will do our utmost to assist you.

Kind regards,

Your Support Unit Team.
